

## SNOBALL QUOTE

At Snoball One Inc., we buy in bulk. We purchase items (products or services) from local retailers and businesses of various types in large quantities. We then sell them on our revolutionary, patent-pending Snoball sales platform.

Whether it is old inventory you want to get rid of at a discounted price, or a current trending product / service, or any other product, Snoball buys in bulk. We buy one or multiple items.

Please visit [Snoball](#) to learn more about our company and our buying process. You can also watch this [YouTube video](#).

Please submit your best quote to start the Snoball. Snoball will issue a Purchase Order (PO) to buy bulk quantities from you!
